

The British Army 1660-1704
Osprey Men-At-Arms series No. 267 (1994)
Text by John Tincey; color plates by Gerry Embleton

Contents:

Introduction
The Army of Charles II
The Army of James II
The Army of William III
Uniforms & Weapons of the Horse
Dragoons
Infantry Uniforms
Infantry Weapons & Equipment
Grenadiers

Color Plates:

Horse & foot guards ó Restoration period
The regimental tailor at work
Soldiers of the Tangiers garrison
Musketeer, pikeman & grenadier ó Virginia 1677
Sedgemoor 1685 ó General, piper, dragoon, cavalry, horse grenadier
Musketeer & Pikeman ó King William's army & trooper ó King James's army ó Ireland
Artillery (4 figures) 1685-95

Comments:

A nice mix of uniforms, weapons and tactics. No history, battle or campaign narratives. The interesting thing to note is the gradual development from the ópiké and shotó period to the ólinearó period ó a development rather than a sudden sea-change. This is a good army guide.

--Paul Le Long
