

**German Armies 1870-71 (1): Prussia**  
Osprey Men-At-Arms series No. 416 (2004)  
By Michael Solka; illustrated by Darko Pavlovic

**Contents:**

The Prussian Army in 1870  
Chronology  
Order of Battle 1 August 1870  
Uniforms  
Cavalry  
Infantry  
Artillery  
Technical & Service Troops  
Reserves

**Colour Plates:**

Staff (Moltke, Bismarck, Wilhelm I)  
Guard Troops  
Cuirassiers  
Dragoons  
Hussars  
Uhlans  
Infantry  
Artillery, Train, Landwehr & Medical Service

**Comments:**

This is a uniforms book, plain and simple. The first five pages cover background, chronology and order of battle for the Prussian army of the Franco-Prussian War. The rest of the book focuses squarely on uniforms and equipment of the various arms of service.

If you want a book about the war, this isn't it; if you want a painting guide for Prussian uniforms, or are interested in details of uniforms then this is the book for you.
